

SECTION 4: START THE PROCESS

SELF-REFLECTION QUESTIONNAIRE

	Not really	A little	Somewhat	Pretty much	Very much
1. Our principal and other administrators are very committed to creating a truly nicotine-free school environment.					
2. Use of nicotine in our school, on school grounds and property, and at school events occurs very seldom.					
3. Our administrators, staff, students, parents and visitors are aware of our nicotine-free school policy.					
4. Our nicotine-free policy is comprehensive and clear.					
5. All staff members report all nicotine policy violations they observe.					
6. We have a designated administrator to handle reports of nicotine-free policy violations.					
7. We have a progressive discipline policy in place for students who violate the nicotine-free policy, saving out-of-school suspension for repeat violators.					
8. We are aware of youth-oriented nicotine cessation services and refer students who use nicotine to them.					
9. We educate and support students and staff members to quit using nicotine.					
10. Our school considers cultural, language, socioeconomic and other differences in the ways we implement the policy.					
11. We ban electronic cigarettes, vapes and pouches and treat them the same as other tobacco products, including confiscation and disposal.
